

MEMORIAL DAY 2017

Henri-Chapelle Cemetery Welkenraedt, Belgium

So proud of our friends Mathilde and Marcel for their work supervising the laying of roses on each veterans grave ahead of the Memorial Day Ceremony. They have volunteers who help put out 2,250 roses on every grave. This year, they had 17 children participate also!

Here they are pictured at the grave of Thomas P. Mullinax, 120th Infantry, 30th Division, of South Carolina. They met his nephew Fred several years ago and got a friend to adopt his uncle's grave. Every year, they send Fred a picture of his uncle's grave with the rose on it!
